Leadership Assessments now with CCL Compass*
Insights are only as useful as what people do with them.

CCL now helps transform personal data into actionable plans easily and without delay. No more information overload as you try to determine next steps. With COMPASS—our newest and most comprehensive online tool that analyzes, interprets, and presents assessment data in a concise and understandable way—leaders can transition immediately from reviewing insights to making positive changes in the areas most relevant to them. CCL is bringing assessments to life so they can mean something real and then do something useful.
