Features to power your digital leadership training process include:

Competencies

Choose from a variety of performance indicators such as success or derailment signals, all grouped by management level for easy access.

Derailers

Identify derailers that can negatively impact career and life—then learn how to recognize triggers and find solutions.

Goals

Identify key improvement areas and then share downloadable development goals via email to enhance accountability.

Action Items

Create, open, and edit specific steps to change behavior and accomplish goals—for you individually or for an entire company. Easily add trackable due dates to your calendar.

Digital Notetaking

Create bookmarks to save relevant competencies or highlight text and drop in goals to access your most critical concepts.

Accountability

Document the plan and track progress to share with your coach, boss, or employees.

A Natural Evolution: Bringing digital accessibility to nearly a half-century of distinguished research

Since pioneering the 360 assessment, CCL has collected millions of responses and decades of insight to bring context and proven correlations to your results. Now with our online proprietary analytical technology, you can go immediately from data discovery to making real changes—where and how you decide is most beneficial.

Quickly accessible and endlessly practical, **CCL Compass** offers sound, research-grounded guidance at your fingertips. Best of all, this dynamic tool functions how you need it, when and where you need it:

CCL Compass™

On its own, **CCL Compass** is a powerful online tool that prompts you to establish goals, build a plan, and track your progress. With on-the-spot guidance and a diverse selection of growing modules, effective leadership development has never been simpler or faster.

Assessments with CCL Compass™

Paired with CCL's 36o-degree Assessments, CCL Compass is a perfect companion tool that transforms insights into actions. Included with our elite Benchmarks® Suite and Skillscope® Assessments, CCL Compass vitalizes your data using an online dashboard that is easy to navigate and understand. CCL Compass is an online tool that gathers all assessment data, interprets it, and recommends what to do next.
