Learning Agility: Unlock the Lessons of Experience
CCL Lead-It-Yourself Workshop Kit

Challenge
Experience is vital to your success, but merely having an experience (such as a challenging new job or a stretch assignment) isn’t enough. Savvy learners know how to extract the essential lessons within each experience and apply them to future situations.

Solution
CCL’s Learning Agility: Unlock the Lessons of Experience workshop kit provides tools and skills to become more learning agile. Learning and applying the four components of CCL’s approach to learning agility will put you on the path to making the most from your experiences and position you to succeed when faced with new, challenging situations.

Who would use this workshop kit?
• Internal HR and Training & Development Professionals who aim to strengthen leadership across their organization
• Business Unit Leaders, Team Leaders, or Project Leaders tasked with improving performance by helping their team improve learning agility, an essential leadership skill

What are the benefits for those participating?
By participating in this workshop, participants will:
• Leverage the four components of Learning Agility to make the most of experiences
• Learn more about the particular skill of Learning Agility and how to apply it to developmental goals
• Gain insight into approaches to developing Learning Agility
• Become more Learning Agile
